

PATIENT TESTIMONIAL

Patients Name: Bobbi Miller

Date of Surgery: _____ Type of Surgery Broken leg & Ankle

My experience with Dr. Bradley Boyd
WAS A wonderful encounter.

I had broken my ankle and long bone
in my leg. He did surgery, put a 5 inch
plate in my leg.

I had "NO" pain whatsoever, Did not need
pain medication or therapy.

Dr. Boyd gave me plenty of time on
all my visits to his office. He's a very
nice and thoughtful man.
